Engineering Computer Systems Student

OBJECTIVE PROFESSIONAL

I am a Computer Systems Engineering student with a strong passion for technology and a particular interest in the fields of data protection and privacy. My goal is to develop expertise in cybersecurity to ensure the protection of personal and organizational information. I aspire to contribute to projects that prioritize privacy and security by applying my problem-solving skills and technical abilities. I am eager to grow professionally in environments that challenge me to innovate and collaborate with others to achieve cutting-edge solutions.

EDUCATION

SEP 2020 - PRESENT

Escuela Superior de Computo, Instituto Politécnico Nacional
